CITIZENSHIP AT A PEAST.

It comes to this. We are all interested, as Americans, in a common pursuit. Our purpose is, equally, but justly, each receiving a fair portion of propriate the share of others.

President-Elect GROVER CLEVELAND last night at the Chamber of Commerce banquet. At the same board with him sat men who had helped to elect him and other men who had done their best in the effort to defeat him. WHITELAW REID, Secretary CHARLES FOSTER, Senator BRICE, Ex-Gov. CAMPBELL, Attorney-General MILLER, CARL SCHURZ and many more men known the country's length and breadth sat there, Democrats and Republicans intermingled at the feast.

But partisanship was lost in citizenship. Men spoke temperately of each other. even though they had been bitterty opposed in political strife. The spirit of the occasion was American. Mr. CLEVELAND voiced it exactly. It is the September . 12,507,295 spirit that will keep the country whole and hearty and prosperous, whichever October . . 11,847,512 way the great public voice may decide conflicts of eminent opinion. The era of political good feeling to which The Evenof such readily transferable affections forty thousand poor children. ING WORLD made reference a few days ago is well inaugurated by the expressions given out at last night's board by 391,734 men who are leaders of broad thought and action.

"THE FENCING MASTER."

The reign of vulgarity and horseplay, o cheap Vienna jingle and stale Berlin over for the present at the Casino, and that house is now given up to the interpretation of a comic opera of genuine merit, of lotty aim and of American parentage. It is " Th Fencing Master," by Herry B. Smith and Reginald de Koven, author and composer o " Robin 11001." The astonishing success of the latter work has so interested the publi in the work of these collaborateurs that The Fencing Master " will be judged by the

" Kobin Hood" standard, for better, for

" Robin Hood" was delightful. The public revelled in it. It has been the most successful opera produced in this country for a long full of graceful melody, rhythm and "catchy" Good music, they say with Bill Nyc, is really and tell them that music, which they think a decidedly in ellectual accomplishment, is pretty often but a sensual indulgence. Music is sensual, not intellectual, and to find a keep music lover it is not necessary to search

"Music," says an authority, "does not cover a little excited bit of life, but the whole of life, and the mind trained to the disciplined expression of emotion in music takes delight in long trains of quiet emotion, conscientiously worked out by what some may call

diffuse and dull music." That means you can be trained to like dull music, or, in other words, your senses can be brought to meet it. However, if you cannot be so trained, do not despair. It is not your fault if you are musical; it is not your fault it you are not musical. It just depends upon how you were born and upon your parents. Pardon this apparent turning aside. I

airs will not be as enthusias ic about the

Dimling -- But most people don't. Toiling -- Bon't what? Dimling -- Fancy oying.

This charming corner here is not a cestly one, and yet it is eminently satisfactory. Th keynote of it is Japanese. The quaint divan is of white wood, enamelled; there is a thin white dry the surface of the sixing should be cushion of Japanese crape on the seat, and the rillows are of the same stuff. From a bamberfectly smooth. If it is not, it should be too pole which is set in the lower part of the frieze is suspended a wide piece of queer Japanese embroidery, not expensive, because it is done on heavy cotton, and, truth to tell, was wrought by the fair fingers of the owner in dull threads and in Japanese figures. This drapery falls over the head and foot of the divan so as to form a canopy. From the bamboo pole two quaint Japanese lanterns are also suspended. Back of the divan stands a screen with Japanese views in what dear old Charles Lamb called "a world before perspective."

A low Japanese seat which is neither stool nor chair, and which has a puffy cushion o cotton crape cloth in its hollowed-out seat, stands close to the divan, suggesting possibilities airs. The sauerkraut critics will tell you that of all kinds of delightful confidence and intimacies. On a bent-legged teak-wood base "Robin Hood" was no good, because it was stands an enormous Japanese jar, whose dull green surface is covered with a delirium of not of the deadly duil consistency which, dragons and reptiles and things that fly. The incense burner at the head of the divan is of they claim, appeals to the educated taste. bronze, and breathes out sweet odors and a smoke that doesn't choke nor stifle. The queer instrument at the side of the divan is the one which, in Japan, corresponds to our banto, much better than it sounds. I should like toget and strums out the charms of Oyuchu San very much as our banjo gives voice to the some of these good creatures into a corner charms of Annie Rooney. As for the skin on the floor, it may be of almost any nation, so cosmopolitan has the fur rug, with the tiger-head and its glaring, harmless eyes, become.

go to the hospitals because they will not leave such struggle on to death rather than take the chance for life offered them in hospita skill for this reason. The young philanthropists have rented a house, limited number of temporarily motherless children are received and cared for, the selfconstituted guardians living in the same in alternate sets of three for four weeks at a

It is hoped that this work may enlarge greatly. It is a valuable supplement to the reches, where well mothers leave their chil dren to go out and work for them. If to ge well for her family is a duty that many mother other than of the lower classes has found it difficult to carry out, how much more so it is for the miscrable poor parent who sees only starvation for her tables if she stops her toil!

Lillizing Cold Meat.

A new way to utilize cold meat is usually velcome to the average housekeeper. The tollowing is really an appetizing dish : Line dish with minced potatoes and set it in the oven until thoroughly browned. When the potatoes are done hellow out the centre and fill with cold meat that has been minced, heated and seasoned. On the top lay four eggs nicely poached in brown gravy. Screen he whole with finely chopped parsley.

Paris Shorgirls.

The situation of shopgiris in Paris is one o great hardship; their pay is not handsome they are obliged to gress well, and they have to be in the shop from thirteen to fourteen hours, mealtimes included. One of the hard ships of which they complain is being forced to stand for so many hours. The air is gener ally exhausted, as customers fear draughts Workgirls, if skilled, are much better off than shopgiris.

It appears from statistics produced vesterday at the Congres Feministe by Mme. Vincent that out of the 10,352,000 artisans of back and front, and has a yoke of velve France there are 4,415,000 women, who receive in wages or dividends no less than now worn a great deal by London fashion boos to the face, but the face must project £98,400,000. There are in Paris 8,000 women doing turiness on an independent footing. and out of 3.858 sulls that the Council of Frudhommes judged last year 1,674 ccn-

Gold Leaf and Gold Powder.

which is done with genuine gold leaf and the signt; never take them from the tree other with so-called gold powders. Leaf heat of the sun. Lay them on one side in a For ordinary home decoration a rose bowl gilding is done either with the test gold leaf basket with leaves in it; carry them into the of cut glass, standing on a mirror, ta the most or with some of the imitations of it, which fruitery for a night: the next day they will be effective of simple adornments. Remember are made chiefly in Germany. An article to refreshed and of a delicious taste." that the flowers must be arranged lowely in the bowl; one would think such a caution unnecessary, but it is surprising how often one sees a vase filled so that the poor flowers with white paint, with Japanese gold size appear to be absolutely gasping for breath. Such a caution been glided must be cleaned. If it has never south, where the fig is at home, we have been glided before it should be aired with heard the growers say that if you would not be such as the poor flowers with white paint, with Japanese gold size appear to be absolutely gasping for breath.

which remains on the surface, should be scrubbed and dried before new gold is put on. subbed down with what is known as glass

Paper, of the finest quality.

After this a thin coat of oil gold size to applied to the work, and in about twelve hours, when this is almost dry, the gilding begins. This is no easy matter. And it is eccasary to have a gilder's tip, cushion and knife. When the gilding is all done, the surface must be wiped off by cotton wadding to remove all loose particles, and the work is finally finished by a coat of isinglass varnish,

which comes for this purpose.

Gold-powders, mixed with gum arabic and liquid golds, which may be applied with a camel's hairbrush, are very easy to put on, but they are all liable to become dull with age, and they never look as well as genuine gold lenf.

Plate Warmer.

A new portable plate-warmer is made of

tinned wire, and will hold one dozen plates.

The body of the rack, which is a stoutly made wire frame, shaped like a half-circle, rests on four feet and is divided in a manner similar to a toast-rack. It is to be used on top of stoves, or over registers. Corn Bread. Two cupfuls of buttermilk or sour milk, one cupful of molasses, one teasponful of soda dissolved in one-third cuptul of water, one

ye meal or graham. Beat well together. Grease four baking powder cans, pour the above mixture into them. Grease the covers and place lightly over the bread. Steam two and a half or three hours. After steaming let the loaves stand a few minutes, when

results of the battle of Flodden. Emperor Frederick III, and his son, Markmilian I., both died of eating too heartily of melons. Nalentia, the Spanish theologian, died of grief because he was accused by the Pope

of having falsified a passage in St. Augustine. Alonzo Cano, a French painter and sculptor of the seventeenth century, is said to have had such a fine sense of precision and symmetry that he refused to kiss a poorly executed cross within less than an hour of the time of his death. Giggling Is Not Laughing.

Women very generally neglect a powerfu weapon of offense and defense placed at their command by nature. A woman's laugh, if intelligently and skilfully used, can wither a man in his tracks or elevate him to the sev enth heaven of happiness. Several causes have contributed to the decadence of woman's laughter. The chief one, perhaps, is the modern habit of dressing Full, free laughter depends upon a perfect

muscles. Confined as these are by steel and whalebone, laughter becomes an impossi With a loss of the art of laughing comes a loss of the sense of humor. When the expression of any of the senses becomes difficult

the sense itself dwindles. Don't mistake giggling for laughter. MENU. THURSDAY, NOV. 17. BREAKFAST.
